Referral Fees

A referral fee is any commission, payment, fee or other reward we receive from other companies in return for recommending their services to you. We believe you should know how much we stand to receive each time we make a referral and whether these companies are connected to us. This way, you can make an informed decision whether to use them or use a company of your own choice.

All our recommended service providers are carefully selected to improve the services we offer to you. The referral fees shown are per referral and do not affect the final amount you pay to the service provider. All referral fees are separate from your obligation to pay our own fees or commission, which are subject to VAT.
